SENIOR CLASS HISTORY

Beginning on September twenty-seventh nineteen-hundred and thirty four the Freshmen class was organized in the High School auditorium with the aid of their first advisor Mr. Norman Lundquist. After which followed a very hopeful and exciting year for the "Frontiersmen", a title chosen by a committee at a later meeting.

The first big event of the term was the selection of officers for the first semester, the people leading the group were:

President	Harry Heath
Vice President	Elinor Corp
Secretary	Lawrence Seroshek
Treasurer	Frank Prine

Another problem was undertaken when the class, lead by a committee of four, decided their class color which is Blue and Gold, their class motto, "Great oaks from little acorns grow," and a class flower, the Red and Gold tulip.

On December 23, 1934 the first Freshman Literary Program was presented and even though it was their debut into high school life, it ended very successfully.

So from here we find the frontiersmen on their second semester of life in High School choosing for a second time to lead them:

President	Lucille Van Brimmer
Vice President	Vera Olson
Secretary	Geraldine Holmes
Treasurer	Russell Linhart

And with this we bring the frontiersmen to the end of their first term of accomplishments and the beginning steps on the ladder of success.

After disbanding from their first exciting term of Frontiers-life the caravan again begins anew as we gather once more on September 12, 1935.

Beginning the year the band chose to help lead them:

President	Jimmie Jones
Vice President	Russell Linhart
Secretary	Darroll Attebery
Treasurer	Vera Olson
Reporter	Joy Hanson

The Frontiersmen again showed great skill in a literary program which was enjoyed by all classes in November. Another activity soon followed when we strayed off the trail of studying for one evening and gave a theater party, to which each brought a guest and showed them what fine times we do have. Once more new leaders were chosen this time we have as:

President	Vera Olson
Vice President	Darroll Attebery
Treasurer	Lucille Van Brimmer
Secretary	Frank Prine
Reporter	Vivian Misner

As the summer neared and we realized another journey, our second, was at its end we gave our last activity of the year. This consisted of a much onjoyed trip to Offut Lake on May 15. And from here we leave our dear old Alma Mater and retire for a three months vacation.

After gathering again on September 4, 1936, the Frontiersmen (by mutual agreement) chose Mr. John Andrew Fuller Esq., as their leader, to help through the coming semesters of difficulties and fun. The following people were elected to lead.

President	Roberta Carroll	Bob Martin
Vice President	Kevin Carty	Marian Pierce
Secretary	Vera Olson	Vera Olson
Treasurer	Darroll Attebery	Darroll Attebery
Council	Lucille Van Brimmer	Gerry Holmes
	Lawrence Seroshek	Marian Pierce

A very interesting bit of entertainment was given during the first semester when a program showing picturesque life in the gay romantic south was given by various members of the class.

A feast was given in honor of the Mountaineers on May sixth. This banquet is an annual affair, and is really a farewell party for the graduating seniors.

So again the group adjourns, until three months hence when again gathered it will mean the last lap of our journey to graduation.

On September 7, 1937 the Frontiersmen gathered to thresh out their final High School difficulties and elect officers.

President	T. Soroshek	A. Nicewonger
V. President	C. Nicewonger	W. Constant
Secretary	G. Holmes	J. Hanson
Treasurer	D. Nelsen	D. Attebery
Sgt. at Arms	J. Thompson	S. Marquis
Council Rep.	B. Martin	B. Martin
	S. Bennett	J. Hanson
Advisor	Mr. Loreen	

The Seniors showed their dramatic talent on April 1, by presenting a three-act comedy, "The Real Thing", under the direction of Miss Rantala. The farce was greatly enjoyed by all.

On their traditional sneak the Seniors journeyed to the Ocean Beaches and Offut Lake after a very exciting time losing the Juniors. A tired group of Frontiersmen reached home from a trip that will long be remembered.

Commencement speakers for the year 1938, were Kevin Carty, Valedictorian and Opal Dunham, Salutatorian. Faculty speaker, John Fulsley and Class Speaker, Joy Hanson.

This brings to an end our final year, with thoughts of knowledge, exciting times, and a useful High School career.

CLASS PROPHECY

It was a dandy sunshiny day in the year 1952 when I, Bob Martin, started my cruise around the world. The first stop was Yakima where I ran across Darroll Attebery. Darroll has had a little hard luck it seems. He told me how he had been working on the W.P.A. but the boss had fired him because he hadn't moved more than twice in one hour.

I boarded a plane at Yakima for San Diego, California. It was in this town that I ran across Vera Olson. She was dancing in a little nightclub called "Hog Heaven". After she had finished her performance and when we were dining together I asked her the name of her dance. She said, "I call it The Combination because it's a combination between the fan dance, hula hula, continental, and bubble dance."

From San Diego I went to Hollywood where I found Gerry Holmes had landed herself a good job at MGM's studios. However, she kind of laughed and told me that her salary wasn't as the job was for she is only getting $10.00 a week. It seems she's a double for Martha Raye.

From there I traveled East to Denver where I found J.T. Thompson working in a Pontiac garage. J.T. is happily married and when I saw his wife I could readily understand why Tim insists that the Pontiacs have such nice pickup.

Going further East I saw Kevin Carty in Chicago working in the laboratory of a large Air Conditioning Co. He is trying to work out a system in which people who are full of hot air will substitute it for conditioned air. He told me that he has been conducting experiments on himself for the last two years but with little success.

On my way to New York I ran across Donnie Helgeson in Pittsburgh, where he is head man of all the Gyp Joints, which is a large job, but Donnie say's that he handles it all right.

Arlon Nicewonger and I had a nice chat in New York. He hasn't changed a bit in the last ten years. He is a soap box orator now. He

talks nightly from Times Square in the heart of New York City.

Also in New York I ran into John Kulsley who is owner of a large business. He sells what he calls a "Guarenteed way to kill bedbugs". I thought I'd take a chance on one for "1.00. When I opened the package I found a block of wood and a wooden mallet. The directions were "Place bedbug on block and strike with mallet until dead." Johnny had a good laugh over it. He even went so far as to give me my dollar back.

Marie Bettcher has made her living playing the stock market in New York these past five years. While scouting around New York I dropped over and saw Ralph Brown who is a drama critic at William and Mary College. He is also a noted teacher of the Classics.

Going back to New York I took the Luxury Liner, Queen Mary, to London. On the boat I ran across Harvey Guenther who's orchestra had just opened an engagement in the ship's ballroom. The name of his orchestra is "Harvey and his Harmonettes". I found out by looking at his band that he had something there.

The first person I looked up in London was Clark Nicewonger who is the U.S. Ambassador to Great Britain. Clark is happily married now and his wife surely makes up for his quiet manner.

From London I took an airplane to Paris and while going through the customs office I ran across Milton Dunham who is a custom officer. We had a nice visit and he informed me that Opal Dunham and Lavern Lemon were running a Fashion Shop in Paris.

From Paris I took the Clipper ship for Pearl Harbor, Territory of Hawaii, where, I had been told, I could find Russell Linhart. Russ is in the U.S. Marines now and from the way he acted I could see he liked the life.

In Honolulu I found Joy Hanson who is private secretary to a large pineapple grower. Joy said that she was "sitting pretty."

From Honolulu I took a boat to Los Angeles

JUNIOR CLASS HISTORY

There appeared in the Temple of Learning on September eighth in the year of nineteen hundred thirty-seven a group of climbers, intent upon completing the third step on the ladder of education. The climbers chose a capable leader of the band in Miss Acheson, the advisor.

The climbers missed several familiar faces in the group, namely, Pat Fowler, Leola Smith, Alice Robbins, and Harvey Constant. However, three new climbers joined the band, Leonard Krause, Josteen Hickey, and Art Brock.

The executive committee for the first semester consisted of some very capable leaders, namely: Elizabeth Kulsley, president; Doris Gorley, Vice President; Mable Lowry, Secretary; Myrtle Dunham, Treasurer; Herchel Johnson, Sergeant-at-Arms; Wilma Hanson and Herchel Johnson were chosen to represent the class in the student council.

On October 22, 1937 the Juniors first social event of the year took place in the form of a skating party at a nearby city. A good time was had by all, especially the boys.

The officers for the second semester were: Elizabeth Kulsley, President; James Marquis, Vice President; Norma Hawkins, Secretary; Jimmie Carroll, Treasurer; and Art Brock, Sergeant-at-Arms. The Student Council members were Herchel Johnson and Helen Martin.

In the most successful dramatic event of the year, the class of '39 presented a one-act play entitled "Changing Places" on April 13, 1938.

The class again skyrocketed to fame in presenting a literary program consisting of musical numbers and a short play on April 6.

Originating something different from the customary banquet given by the Juniors to the Senior class, the Juniors took the class of '38 to Mt. Rainier. A good time was enjoyed by both classes.

SOPHOMORE NEWS

In September 1937, the Sea-faring Sophomores were again ready to sail the Sea of Education. They were joined by several new sailors, Ada Lynch, Bernadine Reynolds, Bernice Bettcher, and James McAuley. The captain was Miss Greta Lofgren for she was chosen as class advisor for the year. The officers chosen for the first semester were: Ted Dec, President; Howard Kure, Vice-President; Bud Eiswald, Secretary-Treasurer; Bernadine Reynolds; Mae Young and Edward Pemerl, Social Chairmen; Helen Seroshek and Tommy Estep, Council Representatives.

On November twelfth the class had a very much anticipated theatre party at the Fox Theatre in Centralia. The main feature was Deanna Durbin in, "One Hundred Men and a Girl". All the members of the class enjoyed the evening.

In December the Sophomores were informed that they were to present a literary program just before Christmas vacation. The program consisted of several musical numbers in keeping with the Christmas spirit and an acrobatic performance by Bernadine Reynolds. After the program Santa Claus, Art Brock, passed out bags of candy to the students.

When school opened after Christmas vacation. officers for the second semester were elected. They are: Bernadine Reynolds, President; Richard Ruth, Vice-President; Mae Young, Secretary; Ted Dec, Sergeant-at-Arms; Helen Seroshek and James McAuley, Social Chairmen; Thelma Jewell and John Holloway, Council members.

On May sixth the Sophomores enjoyed a pot-luck supper at the school house and then went to a movie.

FRESHMAN HISTORY

At the beginning of the year there was a class roll of nineteen, which has been increased to twenty two.

The first event of the year was Freshman initiation; though many of us dreaded it, everyone came out alive. Stunts at the initiation were: Beryl Newman and Mathilda Nelson doing a dance accompanied by Mr. Babcock on the piano, and feeding spaghetti flavored with vinegar while blindfolded; Junior Bennett giving a two minute talk on how high is up; Betty Moravec and Warren Young rolling a piece of chalk across the floor with their noses.

We had a theater party first semester preceded by a tin can dinner. The show was called "Prisoner of Zenda".

Our literary program for the Student Body took place during the Second Semester, though it was postponed many times. It included a play given by some of the Freshman girls, flag salute led by Warren Young, violin solo by Gladys Olen, and a very interesting talk and moving picture on Tuberculosis by Mrs. Bennett of Chehalis.

Class leaders for the year were as follows: Warren Buckovic and Betty Moravec, President; Beryl Newman and Warren Young, Vice President; Amy Freeman, Secretary; Gladys Olen, Treasurer; Betty Moravec, Warren Young; Margaret Hawkins, Warren Buckovic, Council members.

We have had a very interesting year, with Miss Simmons as our advisor.

BASKETBALL

Kevin Carty: Senior, a two-year letterman. Kevin was the outstanding offensive player in the league. His scoring was one of the big factors for our successful season. Kevin used his 6 feet 2 inches to good advantage. Also a clever passer.

Russell Linhart: Senior, a two-year letterman. Russell was the outstanding defensive forward in the league. His steadying influence and leadership played a big part in keeping the team working together. Russ also scored high.

Darroll Attebery: Senior, a two-year letterman. Darroll was the fastest dribbler and closest checking guard in the league. Darroll had speed to burn. His left-handed bullet passing was very deceptive.

Jimmy Carroll: Junior, first year. Jimmy won a berth on the team despite the fact that he was the smallest forward in the county. The fact that he was one of the league's leading scorers shows that he was definitely first team material.

Fred Buckovic: Junior, first year. Fred was undoubtedly the most clever passer in the league. His natural fight, clever passing and good sportsmanship won for him the "Cap" Steinhoff award sweater for the most outstanding "team" player.

Herchel Johnson: Junior, a two-year letterman. Herch is the most "fightenest" player this league has ever seen. He is rough and ready, has a good shooting eye and plays a whale of a good game.

BASKETBALL SCORES

Napavine	24	Mossyrock	18
Napavine	19	Onalaska	14
Napavine	32	Randle	10
Napavine	22	Morton	14

The Boys won five practice games and lost two.

BASEBALL

The tigers returned to the diamond sport after a lapse of several seasons. Although green and inexperienced the boys showed plenty of scrap and determination. As most of the boys will be back again next year a very successful season is anticipated.

Players were: Harvey Guenther, Catcher; Warren Constant, Pitcher; Bud Oswald, Pitcher; James Marquis, Pitcher; Kevin Carty, 1 base: Ed Pemerl, 2nd base; Warren Buckovic, 2nd base; Herchel Johnson, Short Stop; John Holloway, 3rd base; Fred Buckovic, Shirley Marquis, Leonard Krause, Tony Soroshek, Fielders; and J. T. Thompson, Mgr.

TRACK

In spite of a large turnout for baseball a few of the boys worked on their favorite track events. Napavine entered in the County meet at Toledo.

FOOTBALL PERSONALITIES

John Holloway: Sophomore, Plays center. Is a good passer, has lots of possibilities but needs practice.

Captain Nick Nicewonger: Senior, Plays guard. Seen and not heard, a hard tackler and blocker, one of the county's outstanding players.

Harvey Guenther: Senior, Plays guard. A real fighter, Gunnar, played good hard football.

Robert Helgesen: Senior, Plays center. A scrappy little center, held his own against much heavier players.

Donald Helgesen: Senior, Plays guard. Light, fast, and full of scrap.

Warren Constant: Senior, Plays tackle. Did very well for his first try at football, made up for his lack of experience by his "fight".

Ralph Brown: Senior, Plays tackle. He is a giant tackler who improved in every game. Ralph really loved football.

Arlon Nicewonger: Senior, Plays tackle. Big and fast, unusually hard tackler and blocker, he was handicapped by early season injuries.

Micky Buckovic: Freshman, Guard or tackle. One of the hardest hitting tacklers on the squad. He'll be one of the county's best players.

Tim Thompson: Senior, Plays guard and tackle. Flyweight tackle. Tim played regular because he outfought any competition for his position.

Shirley Marquis: Senior, Tackle and Fullback. Shirley was hard to move in the line. An unusually good blocker. In the backfield he could really pack the ball.

Milt Dunham: Senior, Plays end. A hard working player. Improved in every game.

Teddy Dec: Sophomore, Plays end. Ted's first year. Should be a regular next year.

Darroll Attebery: Senior, outstanding defensive end in the league. Handicapped by early season injuries.

Bud Eiswald: Sophomore, plays quarterback. Outstanding ground gainer and punter in the league. "Try and stop him."

Fred Buckovic: Junior, plays halfback. Fred made up for his lack of weight by his fighting spirit. Without a doubt one of the most valuable players on the team. Fred can really block and tackle.

Kevin Carty: Senior, plays halfback. A good tackler and blocker, plays football because he really likes it.

Herchel Johnson: Junior, plays fullback. Without a doubt an "all star" fullback. He is the hardest hitting tackler in this end of the county. He backed up the line the way it should be.

FOOTBALL GAMES

The Tigers completed the first fairly successful season in several years. The most outstanding victory was a 6-0 upset of the highly-touted championship Woodland Beavers. The most thrilling game of the year was a nip-and-tuck affair with Pe Ell. Outplaying and outgaining their heavier opponents throughout the game the light Tiger eleven fought tooth and nail till the last minutes. Other highlights of the season were a 12-6 last-quarter victory over the State School, a 0-0 deadlock with Toledo and a 32-6 victory over the same school in 6-man football.

where I took a train to Dallas, Texas and looked up "Chief Marquis" who is getting in shape to do the hundred yard dash for the U.S. in the 1958 Olympic Games.

From Dallas I went to New Orleans where I found out that Tony Seroshek runs a gambling joint near the water front. Tony is married and has two of the meanest little brats I ever saw.

Also in New Orleans I saw Mae Prine who is the owner of a yacht which she operates up and down the Mississippi.

From there I went to Talla Hasse, Florida where I found Doris Nelsen running a large summer resort. While I was there Dolly got a letter from Robbie Helgeson who is the Supt. and Coach at Scrunch High School (founded 1942).

Warren Constant is also down in this city. Constant isn't married yet although he told me he was still in the market for a wife. He owns a "Wimpy" shop and is doing very well.

Having been almost every place in the U.S. I decided to top it off by going to Alaska. At Cordova I found that Mrs. LeRoy Westguard (Sadie Bennett is making a profitable living selling dry ice to the Eskimos. She told me that they used it to build houses with so that when the warm weather comes and the ice starts to melt it won't get them wet.

From Alaska I came back to Chehalis to the old folks home where I found Mr. Loreen and Mr. Fuller having their afternoon coffee. We discussed old times together.

Having met all my old school chums I decided to start my career, telling fortunes. I hope some day I may visit all my school chums again.
